EMERGENCY & SAFETY ACKNOWLEDGMENT

1 · CLIENT

Child's Full Name:

Date of Birth:

2 · WHAT WE DO IN AN EMERGENCY

- Staff are trained in emergency procedures, including fire evacuation and shelter-in-place.
- Fire drills are conducted regularly, and children participate with staff support.
- In an evacuation, all children are escorted to a designated outdoor meeting point.
- Staff carry emergency contact information and sign-in records during evacuation.
- Parents are notified as soon as all children are confirmed safe.
- Children are released only to individuals on the Authorized Pickup form, with photo ID.

3 · MEDICAL EMERGENCY

- Staff will call 911 for any serious injury or medical emergency.
- You will be contacted immediately; if unreachable, your emergency contacts will be called.
- Your child may be transported by emergency services to the nearest appropriate hospital.
- Care will not be delayed to wait for parental contact in a life-threatening situation.

4 · INCIDENT REPORTING

- Any injury, behavioral incident, or safety event is documented in an incident report.
- You will be notified the same day and provided a copy on request.

5 · SENSORY & BEHAVIORAL CONSIDERATIONS

Does your child have sensory sensitivities relevant to alarms or evacuation?
