FOOD, ALLERGY & DIETARY FORM

1 · CLIENT

Child's Full Name:

Date of Birth:

If your child has a severe or life-threatening allergy, you must also complete the Medication Administration Authorization (Form 03) for any rescue medication such as an epinephrine auto-injector.

2 · ALLERGIES

☐ No known food allergies

Food allergies:

Reaction / severity:

☐ My child has a prescribed epinephrine auto-injector

☐ Non-food allergies (latex, materials, environmental):

3 · DIETARY RESTRICTIONS & PREFERENCES

☐ No dietary restrictions

☐ Religious or cultural dietary requirements:

☐ Texture, sensory, or feeding-related restrictions

Foods to avoid entirely:

Preferred foods / reinforcers we may use:

4 · SNACKS & MEALS

☐ I will send all food and snacks with my child, labeled with their name

☐ I consent to my child being offered snacks provided by the center

☐ I consent to food being used as a reinforcer within the behavior plan, limited to the preferred foods listed above

5 · ACKNOWLEDGMENT

☐ The information above is accurate. I will notify Rise & Shine ABA in writing of any change.
