Empowering children to reach their full potential

FORM 02

PARENT / GUARDIAN

CONSENT & AUTHORIZATION

Please read this document before signing.

This form gives Rise & Shine ABA permission to assess and treat your child, and to share the information insurance requires in order to pay for that care. You are consenting to each service separately — you may agree to some and decline others.

Place your initials next to each item you agree to. Leave an item blank if you do not agree to it. Nothing here is all-or-nothing, and declining an optional item will not affect your child's care.

If anything is unclear, call us at (888) 898-4774 before you sign. We would much rather explain it twice.

WHO MAY SIGN THIS FORM

Only a parent or a person with documented legal authority to consent to this child's medical treatment may sign. If you are not the child's parent, we must have a copy of the court order, guardianship document, or foster placement authorization on file before services begin.

1. Consent for ABA Assessment and Treatment

I authorize Rise & Shine ABA LLC and its Board Certified Behavior Analysts (BCBAs), Registered Behavior Technicians (RBTs), and supervised staff to provide Applied Behavior Analysis assessment and treatment services to my child.

I understand that:

- ABA is an evidence-based treatment; it is not a cure, and outcomes vary from child to child.
- A BCBA will assess my child and develop an individualized treatment plan, which I will have the opportunity to review before treatment begins.
- Services will be delivered by an RBT under BCBA supervision, and a BCBA will be present for my child's first session.
- Treatment may include positive reinforcement, prompting, data collection, and a behavior intervention plan if challenging behavior is present.
- I may ask questions, observe sessions, request a change of therapist, or withdraw my consent at any time.
- Withdrawing consent will end services but will not affect my child's eligibility for care elsewhere, and will not affect any other benefits my child receives.

Services I consent to — initial each line you agree to

- Initial:** _____ Initial assessment and reassessment (CPT 97151)
Initial: _____ Direct 1:1 ABA therapy (CPT 97153)
Initial: _____ BCBA supervision and protocol modification (CPT 97155)
Initial: _____ Caregiver / family training (CPT 97156)
Initial: _____ Group services, if clinically recommended (CPT 97154 / 97158)

Your child cannot receive ABA services without consent to at least the assessment and direct therapy lines above. The remaining services will be recommended only if clinically appropriate.

2. Service Location

I consent to services being delivered in the following settings. Initial each that applies.

- Initial:** _____ In my home
Initial: _____ At a Rise & Shine ABA clinic location
Initial: _____ In community settings (park, store, library) as part of the treatment plan
Initial: _____ At my child's school, if arranged and permitted

I understand that some insurance plans authorize services by location, and that a change of setting may require new authorization before services can continue there.

3. Telehealth Consent

Telehealth is optional. Declining it will not affect your child's in-person services.

Telehealth means delivering services by live video or telephone rather than in person. I understand that:

- Telehealth carries risks that in-person services do not, including technology failure, interrupted sessions, and — despite our safeguards — the possibility that electronic transmissions could be intercepted.
- The BCBA may determine that telehealth is not clinically appropriate for my child, in which case in-person services will be arranged.
- I may refuse or discontinue telehealth at any time without affecting my child's care.
- Sessions will not be recorded unless I give separate written consent in Section 4.

Initial: _____ I consent to telehealth services when clinically appropriate.

Initial: _____ I decline telehealth services.

4. Recording, Photography, and Observation

Every item in this section is optional. Your child will receive exactly the same care whether you initial these or leave them blank. Please do not feel any pressure here.

I give permission for Rise & Shine ABA to:

Initial: _____ Video-record sessions for clinical review and BCBA supervision only.

Initial: _____ Video-record sessions for staff training purposes, within Rise & Shine ABA only.

Initial: _____ Photograph my child for internal clinical documentation (e.g., progress records).

Initial: _____ Use photographs or video of my child in marketing, on the website, or on social media.

Initial: _____ Allow students or trainees to observe my child's sessions.

I understand that I may withdraw any of these permissions at any time in writing, and that recordings already made for clinical purposes remain part of the clinical record. Marketing use will cease upon written withdrawal.

5. HIPAA Notice of Privacy Practices

Rise & Shine ABA LLC is required by law to maintain the privacy of your child's Protected Health Information (PHI), to provide you with a Notice of Privacy Practices describing our legal duties and privacy practices, and to follow the terms of that Notice.

The Notice explains how we may use and disclose your child's health information for treatment, payment, and health care operations; the circumstances in which we may disclose information without your authorization (including as required by law, and to report suspected abuse or neglect); and your rights to access, amend, and request restrictions on your child's records.

Initial: _____ I have received a copy of the Rise & Shine ABA Notice of Privacy Practices.

A current copy is always available at www.riseandshineaba.com or by request at (888) 898-4774.

Your rights regarding this authorization

- You may refuse to sign this authorization. If you do, we may be unable to bill your insurance, and you may be

responsible for the cost of services.

- You may revoke this authorization at any time by writing to us. Revocation will not apply to information already disclosed in reliance on it.
- Information disclosed under this authorization may be re-disclosed by the recipient and may no longer be protected by federal privacy law.
- We may not condition your child's treatment on your signing this authorization, except where the disclosure is necessary to create the record or to obtain payment.
- Unless you revoke it sooner, this authorization expires **one (1) year** from the date signed, or upon your child's discharge, whichever comes first.

7. Assignment of Benefits and Financial Responsibility

I authorize payment of insurance benefits directly to Rise & Shine ABA LLC for services provided to my child. I authorize Rise & Shine ABA and its billing vendor to submit claims and appeals on my child's behalf, and to release information required to process those claims.

If your child has commercial insurance

I understand that I am financially responsible for any deductible, copayment, coinsurance, or non-covered service, as determined by my plan. Rise & Shine ABA will inform me in writing of any expected out-of-pocket cost before services begin, whenever we are able to determine it in advance.

If your child has Medicaid

Medicaid protections that apply to you

- **You will not be billed by Rise & Shine ABA for services covered by Medicaid.** You are not responsible for any balance remaining after Medicaid pays.
- **You will not be charged a fee for a missed or cancelled appointment.** The cancellation fee described in Section 9 does not apply to Medicaid beneficiaries.
- You have the right to choose your ABA provider freely and to change providers.
- Declining any optional item in this form will not affect your child's Medicaid eligibility or benefits.

Initial: _____ I authorize assignment of benefits and understand my financial responsibility as described above.

8. Authorization, Coverage, and Gaps in Service

I understand that my child's insurance must approve (authorize) ABA services before they begin, and must renew that approval periodically. I understand that:

- Rise & Shine ABA cannot control how long an insurance company takes to decide.
- If an authorization expires, is denied, or is approved for fewer hours than requested, services may be reduced or paused until it is resolved.
- If my child's insurance coverage lapses or terminates, services must pause until coverage is restored.
- Rise & Shine ABA will tell me promptly, in writing, whenever any of these occurs, and will explain what is being done about it.
- I agree to notify Rise & Shine ABA immediately of any change in my child's insurance, address, or contact information.

9. Attendance and Cancellation

Consistent attendance is important for your child's progress, and insurance companies review attendance when deciding whether to renew authorization. We ask for at least 48 hours' notice of a cancellation whenever possible.

Situation	What happens
Cancellation with 48+ hours' notice	No fee. We will attempt to reschedule.
Cancellation with less than 48 hours' notice	No fee for Medicaid beneficiaries. Commercial-plan families may be charged a fee (see below).
Missed appointment (no-show)	No fee for Medicaid beneficiaries. Commercial-plan families may be charged a fee.
Illness, emergency, or unsafe weather	No fee. Please call us; we understand.
Repeated cancellations	A BCBA will contact you to discuss barriers and adjust the schedule. This is a clinical conversation, not a disciplinary one.

If your child has Medicaid, no cancellation or missed-appointment fee will ever be charged to you.

For families with commercial insurance, any late-cancellation fee and its amount will be disclosed to you in writing before it is applied. Insurance does not cover missed-appointment fees.

Initial: _____ I have read and understand the attendance and cancellation policy.

10. Communication Preferences

Please tell us how you would like us to contact you. Initial each method you authorize.

Initial: _____ Telephone call to the number(s) I provided, including voicemail.

Initial: _____ Text message (SMS). I understand SMS is not encrypted and is not a secure way to send health information.

Initial: _____ Email. I understand standard email is not encrypted and may be intercepted.

Initial: _____ Secure client portal.

Please do not send documents, photographs of insurance cards, or health information by text message. We will always provide you with a secure upload link. If you have already sent something by text, let us know and we will move it into the secure record.

You may change these preferences at any time by contacting us. Standard message and data rates may apply to text messages. Reply STOP to opt out of text messages at any time.

11. Mandated Reporting

Our clinical staff are mandated reporters under state law. This means that if we have reasonable cause to suspect that a child has been abused or neglected, we are required by law to report it to the appropriate state authority. We are required to make that report whether or not you consent, and we cannot keep it confidential.

We tell you this at the outset so that nothing about it comes as a surprise later.

12. Emergencies

In a medical emergency during a session, our staff will call 911 and then contact you immediately. If you cannot be reached, we will contact the emergency contacts you listed on the Intake Form. I authorize Rise & Shine ABA staff to seek emergency medical treatment for my child if I cannot be reached.

Initial: _____ I authorize emergency medical treatment as described above.

13. Your Rights, and How to Raise a Concern

You and your child have the right to:
