L L C

Empowering children to reach their full potential

FORM 01

## CLIENT INTAKE FORM

**Welcome. Please read before you begin.**

This form gives us everything we need to verify your child's insurance and request authorization for ABA services. We cannot begin that process until it is complete.

**Please answer every question.** If a question does not apply to your child, write “N/A” rather than leaving it blank. A blank answer will delay us — we cannot tell the difference between “does not apply” and “forgot to answer.”

**Copy names and ID numbers exactly as they appear on the insurance card** — not the name your child goes by. A single wrong character can delay approval by weeks.

## SECTION I — Referral / Prescription for ABA

**Read this carefully if your child has New York Medicaid.**

NY Medicaid will not approve ABA unless the referral is signed by a physician, psychologist, psychiatric nurse practitioner, or pediatric nurse practitioner AND contains all of the following. An incomplete referral is the single most common reason a start date gets pushed back.

**The referral must state:**

- The patient's age
- The ASD or Rett Syndrome diagnosis
- The date of initial diagnosis
- Any co-morbid diagnoses, if applicable
- Symptom severity / support level (if written by the diagnosing provider)
- A statement confirming the patient requires ABA services

- A DSM-5 Diagnostic Checklist supporting the ASD diagnosis

ARE THERE BEHAVIORS THAT ARE UNSAFE FOR YOUR CHILD OR OTHERS? PLEASE DESCRIBE, OR WRITE N/A.

WHAT DOES YOUR CHILD ENJOY? (ACTIVITIES, TOYS, FOODS, CHARACTERS, MUSIC)

## SECTION L — Availability & Service Location
